Notes to the accounts

(cont)

Note 2 2.2 INCOME	Accounting policies
	ting policies has been applied by the charity except for those ticked "No" or "N/a". Where a has been adopted then this is detailed in the box below.
Recognition of income	 These are included in the Statement of Financial Activities (SoFA) when: the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability.
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.
Government grants	The charity has received government grants in the reporting period
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.
Support costs	The charity has incurred expenditure on support costs.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Support costs have been allocated between governance costs and other support

Governance and support costs	Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy cost The charity made no redundancy payments during the reporting period.

Deferred income	No material item of deferred income has been included in the accounts.	Ì
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	Ī
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	ך ר
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	
2.4 ASSETS Tangible fixed assets for use by charity]
	They are valued at cost.	Г
	The depreciation rates and methods used are disclosed in note 9.2.	
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5	ľ
	They are valued at cost.	T
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.	
	They are valued at cost.	Ĺ
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	Ì
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	ľ
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Ĺ
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Ì
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	
		١

They are valued at fair value except where they qualify as basic financial instruments.

Last year: Please provide a description of the events and circumstances that led to the recognition or reversal of an impairment loss.

14.5 Revaluation

If an accounting policy of revaluation is adopted, please provide:

the effective date of the revaluation

the name of independent valuer, if applicable

the methods applied and significant assumptions

the carrying amount that would have been recognised had the assets been carried under the cost model.

14.6 Other disclosures

(i) Please state the amount of borrowing costs, if any, capitalised in the construction of tangible fixed assets and the capitalisation rate used.

(ii) Please provide the amount of contractual commitments for the acquisition of tangible fixed assets.

(iii) Details of the existence and carrying amounts of property, plant and equipment to which the charity has restricted title or that are pledged as security for liabilities.

* The "transfers" row is for movements between fixed asset categories.

** Please indicate the method of depreciation by deleting the method not applicable (SL = straight line; RB = reducing balance). Also please indicate the rate of depreciation: for straight line, what is the anticipated life of the asset (in years); for reducing balance, what is the percentage annual deduction.

Independent examiner's report on the accounts

Report to the trustees/ SHERE SWIMMING POOL CLUB members of

	· · · · · · · · · · · · · · · · · · ·
On accounts for the year ended	Charity
Set out	on the following pages
	I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/09/2023
	As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").
	I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.
Independent examiner's statement	 I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,: the accounting records were not kept in accordance with section 130 of the Act; or the accounts did not accord with the accounting records; or the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination. I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
